

Evidence of Continuing Professional Development Form

Energy Expert

You need to show evidence that you have done 20 hours of Continuing Professional Development (further training) in the last 12 months to maintain your Licence to Practise. Please present the information on this form and have each entry signed by the training organiser or equivalent. You may be asked to show further evidence, such as enrolment documents or receipts. The completed form should be scanned and attached to your online application.

Training**Give number of hours, place, key dates and organiser's signature.****Relaxation courses****Courses at the
Academy of
Potential Education****Other courses**
